**BDS Engineering Support Services** is an established Engineering Support Services firm (*Woman-Owned Small Business/WOSB*) registered in SAMS and SBA GLS located in the beautiful Rocky Mountains. We provide “System and Software Lifecycle Support” with emphasis in *Program Management, Software Engineering, Technical Training & Development*, and *Engineering Documentation*. BDS has been in business since 2003. We offer a complete range of management and technical consulting services to our clients in the local Aerospace and High Tech industries. With offices in Colorado Springs, Colorado, we are well positioned to serve our clients both locally, in the Rocky Mountain Region, and across the U.S. BDS offers over 25+ years of *combined* experience and expertise in both Aerospace/DoD, Hi-Tech (MCI/WorldCom, HP, DEC), and Academia. Our expertise includes ten (10) years of specific experience in the **Air Force Satellite Control Network (AFSCN)**.
